ALMA

319 jabolk iz treh držav

V okviru sodelovanja uprav Krajskega parka Goričko, Narodnega parka Órség in Naravnega parka Raab smo povabili otroke k sodelovanju na mednarodnem natečaju v ustvarjanju. S to aktivnostjo želimo prispevati h krepitvi in poglobitvi sodelovanja osnovnih šol na območju Trideželnega parka Goričko-Raab-Órség. Izbrana tema prispeva k ozaveščanju o pomenu travniških visokodebelnih sadovnjakov in ohranjanju vezenja kot rokodelske večšine. Vse prispele izdelke je ocenila mednarodna žirija: Tatjana Vuković (NP Goričko), Eveline Schlager (NP Raab) in Eszter Ör-Hoffmann (NP Órség). Izbrana so bila tri najboljša dela v vsaki kategoriji iz vsakega parka.

319 Äpfel aus drei Ländern

Im Rahmen unserer trilateralen Zusammenarbeit in den Naturparken Raab-Goričko-Órség wurden Kinder in den 3 Naturparken zur Teilnahme am Kunstwettbewerb eingeladen. Mit dem Internationalem Kunstwettbewerb möchten wir zur Zusammenarbeit der Schulen im Dreiländernaturpark Goričko- Raab- Órség beitragen. Die Arbeiten aus 3 Ländern wurden in diesem Dokument zusammengefasst. In diesem Jahr befassten sich die Schüler und Schülerinnen und ihre Mentoren/Mentorinnen mit dem Thema Apfel und Streuobstwiese und setzten sich mit der Stickerei auseinander. Eine internationale Jury, Tatjana Vuković (NP Goričko), Eveline Schlager (NP Raab) and Eszter Ör-Hoffmann (NP Órség), bewertete alle Werke und aus jedem Land wurden drei Besten in jeder Kategorie ausgewählt.

319 alma három országból

A Goričkói Tájvédelmi Park, a Raab Natúrpark és az Órségi Nemzeti Park együttműködése keretében nemzetközi képzőművészeti pályázatot hirdetett meg gyerekek számára. Ezzel a tevékenységgel a Goričko-Raab-Órség Háromrégiós Park területén lévő általános iskolák együttműködésének erősítéséhez, elmélyítéséhez kívánunk hozzájárulni. A választott téma hozzájárul a réti gyümölcsösök fontosságának tudatosításához és a hímzés, mint kézműves készség megőrzéséhez. Minden beküldött alkotást nemzetközi zsűri Vuković Tatjana (Goričko Tájvédelmi Park), Schlager Eveline (Raab Natúrpark), Ör-Hoffmann Eszter (Órségi Nemzeti Park) értékelt, és minden parkból kiválasztotta a három legjobb alkotást kategóriánként.
